WELCOME MESSAGE

Dear Delegates,

Welcome to the **33rd Annual Conference of the Andhra Pradesh Neuro Scientists Association, AP NEUROCON 2026!** We are delighted to welcome you to this prestigious gathering of professionals, researchers, and practitioners in the field of Neurosciences. Hosted in Kakinada, India, **AP NEUROCON 2026** offers a valuable platform for the exchange of knowledge, innovative research, and advancements in neurological sciences and technologies.

This conference brings together leading experts and thought leaders from across the country and beyond to share insights, experiences, and the latest developments in the field of Neurosciences.

As we explore this vital and ever-evolving domain of healthcare, we hope the conference will foster meaningful discussions, encourage collaboration, and inspire innovative thinking. The contributions made here have the potential to advance scientific understanding and positively impact the lives of countless individuals and families worldwide.

We are truly pleased to have you with us and look forward to an engaging, enriching, and inspiring conference experience.

CONFERENCE VENUE RANGARAYA MEDICAL COLLEGE

Established in 1958 through the generous donation of land and buildings by the Pithapuram Raja, Rangaraya Medical College was inaugurated by Neelam Sanjiva Reddy and later taken over by the Government.

The institution achieved a key milestone in 2016 with the introduction of MCh postgraduate super-specialty courses. It has since grown significantly in advanced medical fields, especially Neurology and Neurosurgery, with Neurosurgery seats increasing from 2 to 6 in 2023.

The Kakinada Neuroclub (KNC) actively promotes academic excellence and conducting scientific meets every month without any interruption. It also successfully hosted a State Conference in 2018, conducted state level teaching program - Neuro clinics in 2022.

KAKINADA – “Pensioners' Paradise”

Kakinada is a historically significant coastal town that has evolved from a traditional port settlement into a well-developed municipal city. Known for its steady urban growth, it has become an important center for education and industry. The city is home to reputed institutions like Jawaharlal Nehru Technological University Kakinada and Rangaraya Medical College, along with several engineering and professional colleges. Kakinada is also culturally rich, famous for its unique delicacies such as **Kakinada Kaja**, **Tapeswaram Kaja**, and **Pootharekulu**, as well as its traditional handloom sarees. The town benefits from its coastal location, with water resources and port-based activities playing a key role in its development. Additionally, Kakinada is surrounded by several important spiritual and tourist destinations including Draksharamam Temple, Kotipalli, Ryali, Annavaram Temple, and Pithapuram, making it a culturally and geographically vibrant region.
